Dear Ms. McCafferty,

Thank you for having me at the Western Massachusetts Regional Network Leadership Council meeting on February 19th. I found the meeting to be very productive and informative; it is clear how hard you are all working to prevent homelessness and to provide better housing options for the homeless.

Through ongoing collaboration between state government agencies, advocates, and local officials, I am convinced that we will be able to achieve our goals of ending homelessness in the Commonwealth. As Chairman of the ICHH, I wish to once again express the strong commitment of the Patrick-Murray Administration to this important issue.

Thank you again for taking the time to meet with me. I look forward to working with you and the Western Massachusetts Regional Network in the future.

Yours truly,
