

REGIONAL NETWORK: **Western Mass**

Type of Intervention	Average cost of intervention - client assistance only (not including staffing)	Average cost of intervention including staffing (includes case management, housing search, and ongoing stabilization services)	Sources of funding used? (example ICHH, HPRP from entitlement city, private funds, etc)
EXAMPLE:			
<i>EXAMPLE: Family prevention</i>	<i>Total spending (client assistance)/Total # families served by assistance</i>	<i>Total spending (client assistance + staffing)/Total # families served by assistance</i>	<i>ICHH and United Way funds</i>
FAMILY INTERVENTIONS:			
Family prevention (Berkshire Housing Authority, Community Action, HAP)	\$34,899.50/22 cases = \$1586.34		ICHH funds only
Family prevention (NEFWC - 10 cases)	\$25,193.97/10 cases = \$2,519.40		ICHH funds only
Family diversion (NEFWC - 16 cases)	\$55,303.20/16 cases = 3,456.45		ICHH funds only
Family diversion			
INDIVIDUAL INTERVENTIONS:			
Re-housing chronically homeless individuals			
OTHER INTERVENTIONS (OPTIONAL):			
Write in other Network-specific intervention below			

Brief description of activities (If there are vastly different models within a type of intervention and the data is available, create separate rows for different levels of intervention within your Region. For example, "one-time" diversion assistance of 1st month, last month & security deposit vs. "intensive" diversion that provided 12-month subsidy and ongoing stabilization services)

Rental arrears of up to 4 months, back utility bills, and eviction prevention legal assistance in housing court. The interventions were primarily one-time assistance and did not include ongoing case management.

rental arrears, back utility bills, first, last and security.

Rental arrears of up to 4 months, back utility bills, and eviction prevention. 8 of the 10 families were one-time tornado victims assisted with 1st last and sec dep and some utility arrears to secure an apt. (Note that interventions ranged from \$904 to \$4000).

These cases were either 1st last sec dep or short term subsidy for rent.
