

CHD is expanding in Franklin County and has exciting opportunities to work with adolescents in its dynamic **Children and Families** division and will be sponsoring a **Job Fair** to recruit qualified candidates. If you want to join a dedicated and compassionate team, CHD is the place to work.

Job Fair
Wednesday, June 5, 2013
2:00 – 4:00 PM

Greenfield Career Center
1 Arch Place
Greenfield, MA

Come learn more about these full-time positions and have an on-site interview with our management staff. No appointment necessary. Bring your resume or complete an application upon arrival.

Positions available are in our NEW 24-hour residential treatment programs serving adolescent males and females. These programs are part of the Caring Together initiative through DCF and DMH. Please be advised that all positions are subject to extensive background checks including CORI checks, DCF record checks, and driving history reviews.

Positions available:

- **Program Director** (\$48,000 - \$52,000): Administrator responsible for the overall clinical, administrative, financial and managerial operations of a residential site. Oversight of up to 12 full-time and part-time staff and six to nine clients.
- **Clinical Supervisor** (\$50,000): Coordinate the clinical treatment for adolescents, provide clinical supervision, conduct assessments, develop IAP's, and provide some direct clinical services. LICSW or LMHC required.
- **Clinicians** (\$40,000 - \$45,000): Master's level, License-eligible, salaried positions providing counseling/therapy, treatment planning, facilitation of groups within a residential setting. These positions do not involve third-party billing.
- **Direct Care Positions** (\$26,000 - \$28,000): Provide direct supervision and support to residents in 24-hour residential program. Opportunities available in sites serving male and female adolescents. Schedule includes some weekend hours. Prior experience in social services is required. (Part-time, relief positions are also available at \$11.75 - \$13.50 per hour.)
- **Registered Nurse** (\$25 - \$28 per hour): Provide direct nursing services to adolescents in residential group home settings. Part-time positions and full-time positions are available.

Also hiring for:

- **In-home Therapy Coordinator** (\$40,000): Master's level, licensed clinician to provide administrative and clinical supervision to a team providing diagnostic assessments, clinical support, and family therapy to youth in the home and community.

CHD is one of the largest and most respected human service agencies in Massachusetts and provides a highly competitive compensation package to staff including health, dental, disability, and life insurance, wellness programs and paid time off.
