

HAMPDEN COUNTY CONTINUUM OF CARE 2015 GAPS ANALYSIS

INDIVIDUAL SYSTEM

	Existing Available Supply	Current Need	Gap
Emergency Shelter	185 beds	<185 beds	None
Transitional Housing	128 beds	<128 beds	None
Permanent Supportive Housing	155 units	186 units	31 units ¹
Rapid rehousing	5 units	34 units	29 units

FAMILY SYSTEM

	Existing Available Supply	Current Need	Gap
Emergency Shelter	537 units	537 units	None
Transitional Housing	25 units	100 units ²	Gap of 75 units - can be met with Rapid Rehousing
Permanent Supportive Housing	10 units	278	268 units ³
Rapid rehousing	610 units	935 units	325 units

¹ Analysis using new HUD tool shows no gap in this category.

² Transitional housing is not an allowable use for new CoC funding.

³ This is the gap that resulted from provider analysis; the fact that there were 62 chronically homeless families at the time of the point-in-time count indicates that this may be an overcount.
