

# 2017 Springfield-Hampden Co. CoC Point-in-Time Count FAMILY REPORT

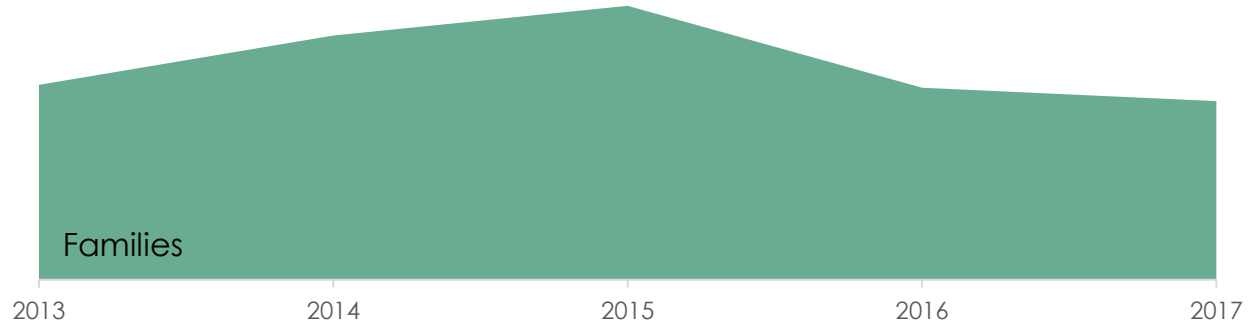

**513**  
homeless  
families

**1941**  
people in  
homeless  
families

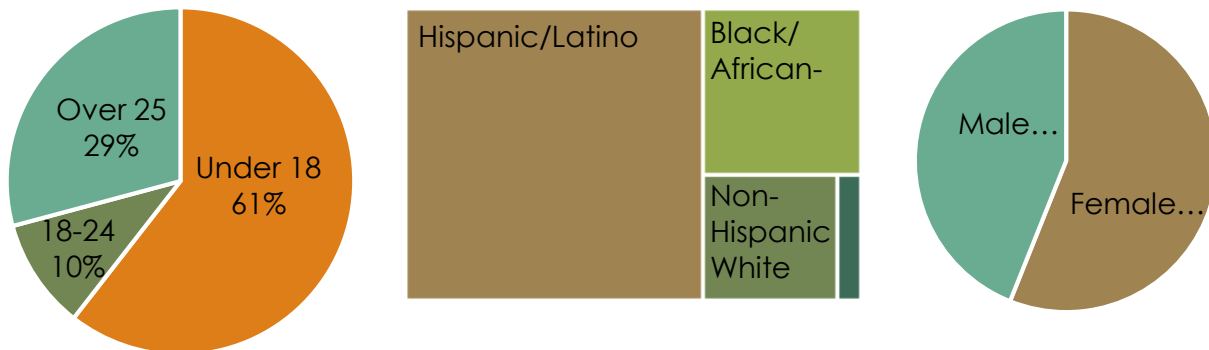

on a single night in January 2017

The number of homeless families has dropped 35% since the 2015 count, after previous years of steady increases.

Over 60% of persons in homeless families are children under 18. Family homelessness disproportionately impacts families of color, particularly Hispanic/Latino families.

16% of homeless families are headed by a young parent, 18-24 years old.
