

# 2017 Springfield-Hampden Co. CoC Point-in-Time Count OVERVIEW

**2311**  
homeless  
people

on a single night in  
January 2017

The number of persons in families has decreased 26% since 2015, following increases in the two previous years. The number of individuals varies only slightly from year to year.

More than half of homeless people counted are under 18, and more than 60% are Hispanic/Latino.
