

Housing & Development as a Social Determinant of Health

Join us for a **Policy 101** Presentation & Discussion

Lunch & Learn

Thur, May 3, 12:30-2pm, at PVPC, 60 Congress St, Springfield, MA
BYO lunch. We'll bring drinks & dessert!

Come learn the fundamentals of housing & zoning policy in MA and how you can take strategic actions to advance health equity. We'll discuss:

- * The types of policies that affect housing quality, quantity, & price
- * How local & state zoning laws impact what kinds of housing gets built
- * Legislation in MA that could help create housing, including the **Great Neighborhoods Bill**
- * Policies that can help make communities age-friendly
- * Actions you can take to advocate for housing that more of us can afford

Guest speakers:

André Leroux & Dottie Fulginiti with the MA Smart Growth Alliance
