Pittsfield, Massachusetts

14 One-Bedroom Units Affordable Permanent Housing

Katie Doherty Veterans Village provides sophisticated country living with all the amenities the city of Pittsfield has to offer. Residents will enjoy the true independence of homeownership in new, fully-furnished one-bedroom units. LEED Gold Certified, the 14-unit facility features sustainable, energy-efficient design, and environmentally-conscious construction.

Located in the heart of the Berkshires, the Katie Doherty Veterans Village offers the beauty of a rural setting, with easy access to nearby shopping, dining, theater, arts and cultural events, as well plenty of outdoor activities in the surrounding mountains and lakes. The new facility is situated next to our Gordon H. Mansfield Veterans Community and provides a safe, sustainable, permanent housing option for low-income individuals, many of whom are female veterans. It's an ideal solution for those who are capable of living independently, but who need affordable housing in a more supportive environment.

Soldier On offers a full range of services to all veteran residents, including case management, and our Life Skills program with a comprehensive curriculum designed to improve residential stability, increase skill and income levels, and promote self-determination. Our housing programs are designed to foster a sense of camaraderie and peer support that promotes long-term independence and helps residents assimilate into the community.

Rental applications can be requested from:

Soldier On, Inc.
