True to our times, we are adapting our Annual Resource Fair/Legislator Gathering scheduled for June 5 to the virtual realm where our “resource exchange” will be made of an opportunity to hear from our state leaders about housing and ending homelessness during this crisis and beyond.

In addition, our Network partners will provide a big-picture snapshot of our COVID-19 response and our priorities for the work that lies ahead to prevent and end homelessness in Western Massachusetts.

This hour together will provide information, energy, solidarity and a whole lot of gratitude for your extraordinary work in these extraordinary times. **Come join us!**
