

Save the Date!

You are invited to the Western Massachusetts Network to End Homelessness 5th annual regional gathering.

We will come together to say **thank you** to our state legislators, mayors, municipal officials and Network partners for a year of extraordinary work like none other.

We will **look ahead** to federal and state opportunities to respond to racial inequity in homelessness and ensure housing for all.

Friday, June 4, 2021
10:00–11:00 am
via Zoom

Register in advance
for this meeting.
