

Legislative Priorities to Prevent and End Homelessness 2021–2022

The Western Massachusetts Network to End Homelessness is committed to undoing the structural racism that underlies housing instability and homelessness. Recent studies reveal the stark challenge: **Black tenants are twice as likely** as white tenants to face eviction, despite making up only 11% of Massachusetts' population.¹ Between the start of the pandemic and the implementation of the eviction moratorium, **78% of evictions filed** in Boston—the area for which there is available data at this time—**were in neighborhoods of color.**²

The Network's priorities below, determined in collaboration with our statewide partners,³ provide a critical and urgent response to this crisis, preserving housing stability and creating housing opportunities for those who have been systematically denied.

COVID-19 Housing Equity: *An act to prevent COVID-19 evictions and foreclosures and promote an equitable housing recovery (S.891/H.1434)* Lead sponsors: Senator Pat Jehlen, Representative Frank Moran, Representative Kevin Honan.

Over 2,000 evictions have been filed in Western MA alone since the lifting of the state eviction moratorium in October, 2020. This bill provides the necessary protections to protect against the devastating consequences of eviction through this recovery period. [Factsheet here.](#)

Right to Counsel in Evictions: An Act promoting housing stability and homelessness prevention in Massachusetts (S.874/H.1436) Lead Sponsors: Senator DiDomenico, Representative David Rogers, Representative Michael Day Currently, over 90% of tenants are unrepresented when faced with the threat of eviction while close to 80% of landlords have representation. Right to Counsel is necessary for justice to be served. [Factsheet here.](#)

Eviction Record Sealing: *An Act promoting housing opportunity & mobility through eviction sealing (HOMES) (S.921/H.1808)* Lead sponsors: Senator Joe Boncore, Representative Mike Moran An eviction record frequently creates a devastating barrier for tenants looking for housing. This bill will protect tenants from being unfairly branded with an eviction record if they don't have a judgment against them, if they weren't actually evicted or if they did nothing wrong. [Factsheet here.](#)

Tenant Opportunity to Purchase Act (TOPA), *An Act to guarantee a tenant's first right of refusal (S.890/H.1426)* Lead Sponsors: Senator Pat Jehlen, Representative Jay Livingstone, Representative Rob Consalvo TOPA passed both the House and Senate last session as part of the Economic Development Bill, only to be vetoed by Governor Baker. TOPA has been refiled this session with a few updates and improvements. [Factsheet here.](#)
